## Class of 1973 – Celebrating 50 Years

Hallsville High School Class of 1973 reunion! How has it already been 50 years? Since we graduated, we all traveled our separate ways.

At our earlier reunions we reminisced and shared what we were doing in our lives. How could we forget? Our first-grade substitute teacher, Mrs. Militzer playing the harp for us. The elementary school trip to the Missouri State Capitol. A music class favorite "Daddy sang bass and momma sang tenor!" Playing soccer in Physical Education where more shins were kicked than the ball. OUCH!

The junior play where a candle caught the stage curtain on fire. YIKES! The show must go on!

The Class of 1973 has many memories we won't forget. Sadly, we have lost a few of our schoolmates and dear friends. May they all rest in peace.

It is time for us to celebrate again! Please come join us at the reserved table for our 50th Class reunion.
